About This Game

The god's wrath falls upon citizens of a small town, corrupted by the sin of alcoholism. They cursed the local bar. The huge beer keg will constantly be filled with this filthy drink. It must be destroyed before it gets overfilled and destroys the entire city! By the will of fate, the only sober resident of the city work as a bartender. Empty the keg by filling and distributing drinks. The more visitors you serve, the more you earn money and you can buy new characters and change the look of the bar.

Do not overfill the keg and reasonably distribute drinks, because visitors need a break. Some of them will not be able to drink a few mugs in a row.

The life of the local population lies in your hands. Save the city from the wrath of the gods and the explosion of a bottomless keg!

It is fascinating game. Our job was to click and to give drinks to people.

That reminds me of funny joke.

Woman walks into a bar with a duck under her arm.

Bartender says, "Hey, where'd you get the pig?"

Woman says, "It's not a pig! It's a duck!"

Bartender says, "I was talking to the duck!". Nothing. It's nothing. Extraordinarily underwhelming.
