Tips for Success

Please prepare the excerpts that follow to the best of your ability. Before recording your excerpts:

- Test your recording equipment before beginning recording.
- Experiment with different audio levels on your recording device to find a good balance of your loudest and softest playing.
- You may sit or stand while you record.
- Find a good space that is quiet without distractions.
  - Record indoors to minimize background noise.
  - Please turn off any fans in the room while you are recording.
- Your music does not need to be memorized.
- Each excerpt should be recorded in one continuous, un-edited take.
- Listen back to your final recording to be sure the sound quality is what you intend.
